

MADDALENA FERRANNA

Schaeffer Center for Health Policy and Economics
University of Southern California
635 Downey Way, VDP 314L
Los Angeles, CA 90089-3333
Tel.: 323 442 0599

ferranna@usc.edu

EMPLOYMENT

- 2022 - Assistant Professor, Department of Pharmaceutical and Health Economics,
Alfred E. Mann School of Pharmacy and Pharmaceutical Sciences,
and Leonard D. Schaeffer Center for Health Policy and Economics, University of Southern California
- 2018 - 2022 Research Associate, Department of Global Health and Population,
Harvard T.H. Chan School of Public Health

RESEARCH INTERESTS

Health Economics, Welfare Economics, Climate Change Economics

EDUCATION

- 2016 - 2018 Postdoctoral Researcher in Values and Public Policy, Princeton University,
University Center for Human Values and School of Public and International Affairs
- 2015 PhD Economics, Toulouse School of Economics
- 2009 M.Sc. Economic Theory and Econometrics, Toulouse School of Economics
- 2007 M.Sc. Economics, University Ca' Foscari, Venice
- 2004 B.Sc. Economics, University Ca' Foscari, Venice

WORKING PAPERS

M. Ferranna, J. Hammitt, L. Robinson (2024). "From Benefit-Cost Analysis to Social Welfare: A Pragmatic Approach." *Disease Control Priorities 4 Working Paper* n. 17. https://www.uib.no/sites/w3.uib.no/files/attachments/dcp4_working_paper_17_july_2024.pdf

TEACHING EXPERIENCE

- 2023- Behavioral Science and Policy in Healthcare (PhD), University of Southern California
- Fall 2021 Foundations of Global Health and Population, Guest Lecturer,
Harvard T.H. Chan School of Public Health
- 2016-2018 Environmental Nexus, Preceptor for the Social Analysis Track, Princeton University
- 2011-2013 Microeconomics (undergraduate level), Teaching Assistant, University of Toulouse

APPOINTMENTS & AWARDS

- 2024- Chair of the Professional Development Workshop Committee, Society for Benefit Cost Analysis
- 2024- Member of the Society for Benefit Cost Analysis Board of Directors
- 2023 Best Paper Award, Risk Analysis
- 2015 Ernst Meyer Prize, Geneva Association
- 2013-2014 AMSE Research Fellowship, Aix-Marseille School of Economics

OTHER ACTIVITIES

Referee for: *American Journal of Public Health, Annals of Economics and Statistics, Annals of Medicine, BMJ Global Health, Ecological Economics, Economics and Philosophy, Pharmacoeconomics, Health Affairs, Health Affairs Scholar, Health Economics, Journal of Health Economics, Journal of the Economics of Aging, Lancet Planetary Health, Nature Climate Change, One Earth, Scientific Reports, PLoS ONE, Social Choice and Welfare, Vaccines, Value in Health.*

External grant reviewer for Fondazione Cariplo.

CONFERENCES AND SEMINARS

2024 Southern Economic Association Annual Meeting; International Society for Pediatric and Adolescent Diabetes Annual Conference; Population-level Bioethics Consultation, Institute for Health Metrics and Evaluation and Rutgers University; Economics of Longevity and Ageing Conference, London Business School; Bergen Center for Ethics and Priority Settings International Symposium; Summit "From Climate Crisis to Climate Resilience", Pontifical Academy of Sciences and Pontifical Academy of Social Sciences; Society for Benefit-Cost Analysis Annual Conference.

2023 Society for Benefit-Cost Analysis European Conference; Center for Population Level Bioethics, Rutgers University; Value of Vaccination Research Network workshop, Harvard School of Public Health; Bergen Center for Ethics and Priority Settings symposium; Society for Benefit-Cost Analysis Annual Conference.

2022 Annual Research Conference, European Commission; Brocher Summer Academy in Global Population Health; 21st Lancefield International Symposium on Streptococci and Streptococcal Diseases; "The Economics of Longevity" conference, London Business School; webinar at the Center for Population Level Bioethics, Rutgers University; webinar at the Department of Pharmaceutical and Health Economics, USC School of Pharmacy; Society for Benefit-Cost Analysis Annual Conference.

2021 Society for Benefit-Cost Analysis European Conference; Welfare Economics and Economic Policy Webinar; International Health Economics Association Congress; "Social Welfare and Climate Policy Workshop" - CHIPS project ; webinar at CUNY Institute for Demographic Research; Climate Change and Priority Setting in Health Webinar Series - BCEPS; Society for Benefit-Cost Analysis Annual Conference.

2020 VoVRN Webinar Series - Harvard School of Public Health; Prioritarianism in Practice Workshop; Department of Philosophy, Logic and Scientific Method webinar, London School of Economics and Political Sciences.

2019 Workshop on "Climate Policy and Sustainable Growth" - Princeton University; Workshop on

“Climate-Economy Integrated Assessment Models and Ethics”- Paris School of Economics; 19th Annual Conference of the Society for the Advancement of Economic Theory; World Congress on Health Economics.

2018 6th World Congress of Environmental and Resource Economists; EAERE-FEEM-VIU summer school in San Servolo; Kiel International Workshop in Sustainability Economics.

2017 23rd Annual Conference of the European Association of Environmental and Resource Economists; 36th International Energy Workshop; 8th International Research Meeting in Business and Management; Philosophy Politics and Economics Society Meeting.

2016 Economic department seminar, University of Glasgow; Workshop on “Risk, fairness and well-being in collective choice”, KU Leuven.

2015 22nd Annual Conference of the European Association of Environmental and Resource Economists; 3rd Annual Conference of the Italian Association of Environmental and Resource Economists.

2014 4th World Congress of Environmental and Resource Economists; seminar at AMSE Marseille; seminar at FEEM Venice.
